BAYLOR MANAGER

TENDERS RESIGNATION

C. F. Jones, Elected to Handle Business End of Baptist Eleven, Will Not Be in School.

C. F. Jones of Bryan, who was elected to manage the Baylor football team in the coming season, has tendered his resignation to the athletic council of Baylor University and that body has accepted it. He will be succeeded by E. K. Herring of Mount Calm, who was assistant manager of the team last fall.

Mr. Jones resigned owing to the fact that he is now attached to the editorial staff of the Post and does not intend to return to Baylor this year.—Houston Post.

Mr. Jones is a son of Mr. and Mrs. C. S. Jones of Harvey and is known by everybody in Bryan. He secured a situation with the Post soon after school closed in June, is making good, and prefers to stick to his work rather than return to school.

Pennsylvania Democrats Meet.

Williamsport, Pa., Sept. 11.—The State Federation of Democratic Clubs held its annual meeting here today and were addressed by the various nominees and leaders of the party, including several congressmen. Arrangements were completed for an active campaign which will be waged throughout the state until the Saturday before election in November.

A. & M. FOOTBALL SQUAD

Will Go to New Braunfels, Their Training Quarters, Monday. Thirty-five in Number.

Joe Utay, the manager and assistant coach of the A. & M. football team, will arrive tomorrow from Dallas, while Coach Moran will come in from Kentucky, on the same day. Coach Moran and Manager Utay will take the supplies, etc., to New Braunfels on Saturday and get everything in readiness for taking care of the men when they arrive on Monday. Thirty-five candidates are expected to be present at the training camp in New Braunfels, where they will remain about eight days, returning to the college by the 23d or 24th, in readiness for the opening of the fall session.

Many of the old players are returning and some splendid new material has been garnered in and will be present at the training camp. The prospects are bright indeed for a winning team at A. & M.

Johnson in Wisconsin.

Milwaukee, Wis., Sept. 11.—The state convention of the progressive party opened here today with Governor Hiram Johnson, the vice presidential nominee on the progressive ticket, the guest of honor. The decision as to whether there will be a state ticket in the field for the November election is one of the main questions to be decided at this convention.

ALLEN ACADEMY OPENING

The 1912-13 Session Opened Today. Formal Opening Will Take Place Friday Night.

The 1912-13 session of Allen Academy opened today with a large number of the old students present and many new faces. The principals and teachers have been so busy enrolling students that they found it impossible to have their formal opening before Friday night, due notice of which will be published in these columns. The campus and halls of Allen Academy resemble a hive of busy bees, swarming in and out, amid the buzz of conversation, as old students greet each other, while others are busy introducing their new friends and making them feel at home in their new surroundings.

The indications are that the attendance will be the largest in the history of the academy, and while a large number have already arrived, it is safe to say there are as many more to come.

ACADEMY NOTES.

Charles A. Meroney of Mart, brought his son Kyle down to enter him.

P. S. Vadiver of San Angelo brought his son Rufus here to enter him.

Mrs. W. M. Stafford of Dayton brought her brother Paschal from Del Rio to enter the academy.

J. P. McKee of Beaumont brought over his two sons and entered them.

Leslie Powell of Deweyville has returned to the academy, bringing with him two friends, L. R. Smith and Edgar Stephenson.

Great Welcome for T. R.

Portland, Ore., Sept. 11.—An open-air meeting in the plaza in front of the courthouse is the principal feature in connection with the visit of Colonel Roosevelt here today. The ex-president arrived in the city at 7 o'clock this morning and was escorted directly to his hotel. His schedule will allow him to remain in Portland and vicinity thirteen hours, but during that time a trip to Salem and a run to Vancouver must be slipped in. At Vancouver Mr. Roosevelt will address the Clark county fair.

TODD-HOLDER.

Mr. John Todd of Harvey and Miss Alma Holder of West Texas, who was here on a visit, were united in marriage at Steep Hollow last Sunday, Rev. J. M. Bullock officiating. They drove up near the church and sent for the minister, and the ceremony was performed as they sat in their buggy.

Both bride and groom are most excellent young people and have a host of friends, with whom The Eagle joins in congratulations and best wishes.

MARYLAND MOOSE FIGHT

Baltimore, Md., Sept. 11.—The republican state convention assembled here again today at the special call of Chairman Hanna, for the purpose of retiring the Roosevelt state electors who will not get off the ticket.

Colonel Carrington, the Roosevelt leader, declares he will fight every move of the republicans to oust the progressives. "We will fight them as long as it is possible to fight," said Colonel Carrington, "even to the supreme court of the United States if necessary."

All except three of the eight Roosevelt electors have voluntarily retired. It was to substitute Taft men for these three that the state convention was reassembled.

Funeral of R. L. Duncan.

The remains of Mr. R. L. Duncan, who died in Mumfords yesterday, arrived here this afternoon via the International & Great Northern and the funeral was held directly from the train. Interment was in the city cemetery. A large number of the friends of the deceased were present to pay their last tribute of respect.

Brownsville.—The chamber of commerce of this city has been investigating crop conditions in this county and reports that the yield of cotton this season will fall below all previous years. The boll weevil and the army worm have been at work quite extensively and in parts of the county the cotton is badly damaged. It is estimated that less than 12,000 bales of cotton will be produced in the entire valley.

HOME ENDORSEMENT.

Hundreds of Bryan Citizens Can Tell You All About It.

Home endorsement, the public expression of Bryan people, should be evidence beyond dispute for every Bryan reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in far-away places. Read the following:

W. F. Miller, Burleson Street, Bryan, Texas, says: "I have no reason to change my high opinion of Doan's Kidney Pills and still recommend them. They have proven a valuable remedy in my case and have given satisfaction in every way." (Statement given December 18, 1911.)

Mr. Miller was interviewed on May 28, 1908, and he said: "About a year ago I used Doan's Kidney Pills, procured at Emmel's drug store. At that time I was having pains in the back and other symptoms of kidney trouble. They disposed of my trouble and I have had no recurrence. I consider Doan's Kidney Pills the finest remedy in the world."

Not Paint

With linseed oil at \$1, what sort of oil do

you think they use in "paint" at \$1.75

and \$1.50?

That stuff is counterfeit paint. You

can cheat yourself; you can't cheat Time

or Weather.

Paint is a rubbery coat over wood and

iron to keep-out water.

Counterfeit paint may look like it;

counterfeit money looks like money.

What are all counterfeits for? They

are all alike.
